PLAY FOR FREE!

If we were not in your child's daycare or preschool and you help us get in and we have a session you will play for free that season! If you know of a public location we could use and know up to 6-8 kids that would be interested, or through our marketing we get 6 or more kids, we will do the work to set up a program there and you can play for free that season. We're always looking to positively impact more kids!
