Soccer Shots is an engaging children's soccer program with a focus on character development. Our caring team positively impacts children's lives on and off the field through best-in-class coaching, curriculum and communication.

The Soccer Shots difference:

Coaching – You can feel confident that the person coaching has met our strict coaching standards and has been trained in the use of developmentally appropriate techniques.

Curriculum – Our curriculum is developed in alignment with state early childhood education standards. Children will learn from a curriculum that is built for his/her age group.

OUR PROGRAMS

Soccer Shots offers three different programs to meet the developmental needs of children aged 2-8. Programs are offered in childcare centers, preschools and schools, as well as public locations.

MINI | 2-3 Year Olds

Soccer Shots Mini is a high-energy program introducing children to fundamental soccer principles, such as using your feet, dribbling and the basic rules of the game. Through fun games, songs and positive reinforcement, children will begin to experience the joy of playing soccer and being active.

CLASSIC | 3-5 Year Olds (Pre-K)

Soccer Shots Classic utilizes creative and imaginative games to focus on basic soccer skills like dribbling, passing and shooting. We also highlight a positive character trait each session such as respect, teamwork and appreciation.

PREMIER | 5-8 Year Olds (K-2nd)

Soccer Shots Premier focuses on individual skill, fitness and sportsmanship, providing an opportunity for children to be challenged through fun games and team interaction. Children will also be introduced to competition in a developmentally appropriate manner.
